

SHARI'AH MANAGEMENT TRAINEE

If you are a **FRESH SHARI'AH GRADUATE** and would like to build your career in the fast-growing Islamic Banking & Finance Industry, then this may open the door to your dreamed career path!

Concept of the Programme

This is a “**working & training**” programme. Fresh Shari'ah graduates who have great interest to work in Islamic finance industry will be recruited – on contract and Full-Time basis by INCEIF under this one-year programme. Attractive allowances and other benefits will be paid throughout the contract period. The participants will be equipped with necessary tools and experiences to become a good Shari'ah officer. At the end of the contract, there will be high possibility for the participant to be employed by the Islamic financial institutions.

Requirement and Qualification

Participants of the programme should possess the following criteria:

- A great interest to work in Islamic finance industry;
- Very good command of Arabic language;
- Good English communication skill is an advantage;
- Obtained a bachelor's degree in Shari'ah from recognised local or international universities (bachelor's degree in Shari'ah, Muamalat, Jurisprudence, Islamic Law, Fiqh, Usul al-Fiqh or its equivalent);
- Obtained a minimum CGPA of 3.50 or its equivalent;
- Bachelor's degree, graduated between 2020 to 2022 only.

Programme Description

During the programme, the participants will be trained at INCEIF through the following methods:

- Direct involvement in INCEIF/ISRA RMC's projects.
- Exposures to industry practice by attending relevant meetings, workshops, talks and seminars.
- Attending language (Arabic or English) skill development programme.
- Attachment at the industry.

Programme Outcomes

At the end of the programme, the participant is expected to be able to:

- Conduct research works that are relied upon primary and contemporary references.
- Relate Shari'ah with contemporary issues in Islamic banking and finance.
- Understand the needs and constraints of the industry.
- Structure products.
- Understand Shari'ah review and audit processes.
- Communicate in acceptable Arabic and English.

Incentives

- Attractive monthly allowance; and
- Good working environment.
